EXECUTIVE SESSIONItem 3 Guidelines Governing Disclosures of Classified Intelligence

Draft for Board discussion.

This draft guidance paper, which was discussed briefly at a recent Board meeting, has been placed on the agenda for Board discussion and any comments or suggestions, prior to your issuance of a final version. At the 11 March meeting you stressed that these guidelines were designed to support each USIB Principal in taking necessary actions in his department or agency to carry out the President's directive in accordance with your statutory responsibilities for the protection of intelligence sources and methods. Tom Parrott is prepared to attend the executive session for this item unless you desire otherwise.

NOTE: We have received a request that Admiral Gayler wishes to discuss a sensitive subject with the Board in executive session for the information of the USIB Principals only.
